DANYANG RIXING TOOL CO., LTD

DANYANG RIXING TOOL CO., LTD

ABOUT US

Danyang Rixing Tool was established in 1992 and has been manufacturing paint brushes & paint rollers for over 30 years. It is located in Danyang City, Jiangsu Province, East China, about 90 kilometers from Nanjing and 200 kilometers away from Shanghai, with very convenient transportation. The whole factory covers an area of about 20,000 square meters, with around 120 employees.

Rixing Tool has a wide range of product selection, including different kinds of paint brushes, paint rollers, barbecue brushes, extension poles and other paint tools. With a commitment to "quality first, reputation first",we implement quality inpection from the very beginning to the end. We have been exploring new products, to keep pace with the ever-changing market.

Our products are well exported to Europe, America and Southeast Asia, etc. Reliable quality, competitive price and excellent service are our advantage. Some customers have been buying paint brushes & rollers from us for over 25 years. These years, we gradually upgrade or replace the old brush-making machines. Now our output is around 50,000 to 80,000 paint brushes and 20,000 rollers per day. BSCI and FSC certified and passed the factory audit of renown USA company.

As the leading paint brush manufacturer in our region, Rixing Tool will continue to forge ahead and create a win-win situation with our customers based on quality. Welcome to visit our factory at any time.
